We have an incredible selection of cheese for you. From delectable, soft fresh goats cheese through to powerfully aromatic blues and everything in between! You are welcome to sample before you buy and our team are always happy to help you with your selection.

Possibly the most exciting choice of olives are available all at Saxtons. Chilli flaked, garlic stuffed or mixed with herbs. You will find what you are looking for.

Stuffed red peppers, mini yellow pumpkins filled with the softest of cheese, smoked anchovies, balsamic onions and rollmops.

Cured meats are a wonderful compliment for cheese and we stock only the best for you.

Pate portions and slices of Saxtons honey roasted ham are also available.
